

Important note for students enrolled in Level 2 Science course SC2000

If you are enrolled in our Level 2 Science course **SC2000** and have registered to sit external standards in this course, please be aware this may involve Biology, Chemistry, and Physics exams timetabled to be sat on **different** days.

Carefully check your confirmation email and [NZQA exam timetable](#).

Reference	Standard	Description	NZQA exam
Physics 2.3	91170	Demonstrate understanding of waves	Nov 22
Physics 2.4	91171	Demonstrate understanding of mechanics	
Physics 2.6	91173	Demonstrate understanding of electricity and electromagnetism	
Chemistry 2.4	91164	Demonstrate understanding of bonding, structure, properties and energy changes	Dec 3
Chemistry 2.5	91165	Demonstrate understanding of the properties of selected organic compounds	
Chemistry 2.6	91166	Demonstrate understanding of chemical reactivity	
Biology 2.4	91156	Demonstrate understanding of life processes at the cellular level	Dec 9
Biology 2.5	91157	Demonstrate understanding of genetic variation and change	
Biology 2.7	91159	Demonstrate understanding of gene expression
