

Important note for students enrolled in Level 3 Science course (SC3000)

If you are enrolled in our Level 3 Science course **SC3000** and have registered to sit external standards in this course, please be aware this may involve Biology, Chemistry and Physics exams timetabled to be sat on different days.

Carefully check your confirmation email and [NZQA exam timetable](#).

Subject reference	External standard	Standard description	NZQA exam
Biology 3.3	91603	Demonstrate understanding of the responses of plants and animals to their external environment	Tue, 12 November
Biology 3.5	91605	Demonstrate understanding of evolutionary processes leading to speciation	
Biology 3.6	91606	Demonstrate understanding of trends in human evolution	
Chemistry 3.4	91390	Demonstrate understanding of thermochemical principles and the properties of particles and substances	Thu, 14 November
Chemistry 3.5	91391	Demonstrate understanding of the properties of organic compounds	
Chemistry 3.6	91392	Demonstrate understanding of equilibrium principles in aqueous systems	
Physics 3.3	91523	Demonstrate understanding of wave systems	Wed, 20 November
Physics 3.4	91524	Demonstrate understanding of mechanical systems	
Physics 3.6	91526	Demonstrate understanding of electrical systems
